

ANNUALS

- Annuals are plants that complete their life-cycle in one season.
- They are very versatile and can be planted almost anywhere.
- Annuals are great container plants and do well planted in pots, baskets and window boxes.
- You can use annuals for borders, as your background or as the main plant in your garden they come in many colors, shapes and sizes.
- Most annuals need to be watered once a day, in real hot weather you may have to water more often.
